

Board of Directors and Associate Openings

As our 70th consecutive season opens, we are seeking candidates for positions on our Board of Directors or as Associates to help lead us in the upcoming decades. In addition to producing great concerts, we also run scholarship programs and programs which bring professional musicians into our public schools to mentor young musicians. Please consider bringing your skills – from fund raising, marketing, education, publicity and publication writing to concert arrangements and finance – to our organization.

Please note these are volunteer positions. Directors are expected to attend all Board meetings, and all members are expected to attend concerts, purchase their own tickets and make a donation at whatever level is comfortable.

For further information, contact Keith Austin, Board Vice President at irakeithaustin55@gmail.com, or text Keith at 914 960 5462.
